Herewith is the record in the case of LEE GUM WEE (Mrs. Howard J. Chang), applicant for a Citizen's Return Certificate (Form 430), who intends to depart to China from this port via Europe.

Applicant states that she was born in New York City and that she has never been out of this country. She has presented certified copy of birth certificate, described in transcript of hearing.

The applicant states that she was married in Minneapolis, Minn. December 23, 1935 to Howard J. Chang, alias Chang Jui Kang. She is not in possession of any documentary evidence of her marriage, but she has presented newspaper photographs and clippings, and I am satisfied that she was married at the time and place claimed. Her husband, Chang Jui Kang, is the subject of New York file 167/750, which indicates that he would sail from Hong Kong Nov. 16, 1934 on the S.S. "Empress of Japan" and would seek admission at Seattle, holding non-quota student's visa #97, issued by the Consul General, London, England, Aug. 8, 1934.

New York file 24/858 relates to applicant's father, Lee Kee, and shows that he is the holder of Certificate of Residence issued at New York March 18, 1894. The applicant's half-brother, Lee Yuen Why (N.Y. 25/713), is a native of China, and was granted Form 432 by this office in 1933. He was readmitted at Seattle Aug. 31, 1934 as a laborer. N.Y. 33/248 relates to applicant's brother, Lee Why, who was last admitted at Seattle in 1920 as a returning laborer. The applicant states that he died in New York City in the Summer of 1936. N.Y. 12/822 and 68/34 relate to applicant's brother and sister, respectively, James Nee Lee and Lee Ying Wee or Emily Lee, both of whom were granted Citizen's Return Certificates (Form 430), by this office.

I recommend that this application be approved.

T. J. Molloy,
Chinese and Immigrant Inspector.

Q Why do you now seek a Citizen's Return Certificate?
A I am going to accompanymy husband to China; and I expect to study there. My husband also intends to study in China, but both of us intend to resume our studying in the United States sometimes in the future.
Q Through what port do you intend to depart?
A NEW YORK by water via Europe.
Q What will be your address in China?
A I am not sure as to where in China we will go and I can't give any definite address; the only address that I can think of offhand is that of a friend whom I may visit in Peiping, Dr. Bingham Dai, c/o Peiping Union Medical College.
Q Whose photograph is this (showing photograph of Lee Yuen Wee attached to triplicate Form 432 dated Aug. 16, 1933, contained in N.Y. 25/713)?
A My brother, LEE YUEN WEE.
Q What will be your local address?
A C/o my father at 47 Mott Street, New York City.
Q Whose photograph is this (showing photograph of Lee Ying Wee attached to triplicate Form 430 dated Aug. 3, 1927, contained in N.Y. 68/34)?
A My sister, LEE YING WEE; she is with me at Ellis Island today.
Q Whose photograph is this (showing photograph of Lee Kee attached to triplicate Form 410 dated Jan. 18, 1910, contained in N.Y. 24/858)?
A My father, LEE KEE.
Q Whose photograph is this (showing photograph of James Nee Lee attached to triplicate Form 430 dated July 9, 1926, contained in N.Y. 12/822)?
A My brother, James.
Q Have you any further statements, or corrections?
A No.
Q

Signature of applicant: Evelyn Lee 李金妹

- - -

Certified correct, taken on typewriter, 9/8/36. (4 pages).

Sam Goldstein

Sam Goldstein,
Stenographer.

Q Who is your father?
A LEE KEE, given name, LEE GUNG YUK, marriage name; age72, born in Gut Choon Village, Hok San District, China, now living at 47 Mott Street, New York City, with me.
Q What is your father's occupation?
A He is connected with Mon Lee Yuen Co., Chinese grocery, corner Mott & Park Sts., New York City.
Q Is your blood mother living?
A No. She was Low (Loo) Shee; she was born in Canton City, China; she died about April, 1933 at 47 Mott Street, New York City.
Q Did your father have any children by his first wife?
A To my knowledge, I have one half-brother, no half-sisters. My half-brother is Lee Yuen Why - that's the only name I know for him; he was born in China, I am not sure as to what part; he is now a restaurant waiter in New York City; I don't know much about him; I see him only about once a year.
Q Whose photograph is this (showing photograph of Lee Why attached to triplicate Form 432 dated Feb. 28, 1919, contained in N.Y. 33/248)?
A That is my other brother, Lee Why - that's the only name I know for him; he was my full-blood brother, but he died in New York City sometime last Summer; I was at school at the time he died, I don't know just where he died.
Q How many full-blood brothers and sisters have you ever had?
A Seven brothers and two sisters. Three of my brothers are dead; of them, Lee Why was the oldest; the two others were born in New York City and died here as babies - I don't know their names.
I have four living brothers; they are:
LEE YUEN WHY (WEE), only name I know for him; he is in his late 30's; he was born in Hok San District, in Gut Choon Village; he is now in New York City;
JAMES LEE or LEE WAI; I know no other name for him; in his 30's, born in New York City; he is selling insurance in New York City;
THOMAS LEE or LEE HUNG; I know no other name for him; in his early 30's, born in New York City; he was just admitted to the New York Bar, but he hasn't started yet to practice law; and
GEORGE LEE or LEE YOUNG, in his late 20's, born in New York City; he sometimes works as a restaurant waiter and lives in New York City.
My sisters are:
EMILY LEE or LEE YING WEE, about 27, born in New York City; she is living with us at 47 Mott Street; and
FLORENCE LEE or LEE NGUN WEE, age about 25, born in New York City, and now here. Both of my sisters are married. EMILY's husband is in China; he was formerly a student in the United States. FLORENCE's husband is John Ho, I don't know his occupation now; he was formerly with the Port Arthur Restaurant, 9 Mott Street, New York City.

Q Can you produce any evidence of your marriage?
A My marriage license is in Minneapolis, but I have some newspaper clippings here. (Presents newspaper clipping, taken from the Minneapolis Star Dec. 24, 1935, containing a photograph of a Chinese man and Chinese woman, the woman being the subject. Clipping sets forth that the subject, Evelyn Yao-Pi Lee, 22, a sociology student, was married the previous Monday to Howard Chang, 28, Canton, China; that they were married at an Episcopal wedding service; that the ceremony was performed at the home of Mr. and Mrs. George C. Scales, 915 6th St., S.E., Minneapolis. Another clipping from the Minneapolis Journal, issue of Tuesday, December 24, 1935, contains a group photograph of four persons, and is headed "Minneapolis Chinese Students Wed in Christian Ceremony", also, "The East and West ~~Are Combined~~ Were Combined As a Setting Yesterday When Evelyn Yao-Pi Lee, 23 years old, and Howard J. Chang, 28, Chinese Student, of the University of Minnesota, were married at the home of Mrs. G.C. Scales, 915 6th Street, S.E. Wearing oriental ceremonial gowns, the couple shown at the left (the subject is one of the persons mentioned) were married in a Christian ceremony before an altar decked with Christmas holly and evergreen. At the right are Fai Seto, maidx of honor, and Kung Yok Lee, father of the bride and New York merchant". Elsewhere in the news item it is stated that the marriage ceremony was performed by Dr. A. E. Knickerbocker, Rector of St. Paul's Episcopal Church). (Clippings are returned to applicant at her request).
Q Was your husband married before you married him?
A No, I am his first wife.
Q What is your husband's occupation?
A Student.
Q Do you expect to give birth to a child in the near future?
A Yes, about Next January.
Q Will anyone accompany you to China?
A Yes, my husband.
Q What is his status with reference to lawful residence in the United States?
A He came here in 1934 as a student - I am not sure as to what port. He had been in the United States previously as a temporary visitor; I think he originally arrived about 1932, at San Francisco or Seattle, and remained in the United States about - I am not sure how long, but he left New York for Europe and stayed in Europe for about 2 years, traveling for pleasure. He returned to China from Europe and when he came to the United States in 1934 he was coming from China.
Q Were either of your parents married more than once?
A I have never been very clear on that myself because my father has been reticent about it when I asked him, but I think he may have had another wife before my mother, and I think his first wife died.
